

VIEIRA DE SOUSA

FINE RUBY PORT

Hand-picked from Sousa's quintas along the Douro Valley, this Port is vinified in lagares at the winery's Sabrosa estate. It is aged in both oak vats and stainless-steel tanks, after.

The wine's pure energy is thereby preserved, making for bright notes of red plum and cherry, with touches of cocoa and baking spices.

Data

Grapes: Touriga Nacional, Touriga Francesca, Tinto Cão, Tinta Roriz

Average Vine Age: Over 30 Years

Soil: Schist

Alcohol: 19.5%

The Vieira de Sousa family has been producing Port for at least 5 generations, beginning with José Silvério Vieira de Sousa. The family continues to harvest from its 60 hectares in the Douro Valley, including its 4 single-vineyard Quintas. The winemaking is carried out in the family's six wineries, located from the Douro Valley, to Quinta da Fonte, to Sabrosa, with particular focus on each style. The results are Port wines that reflect not only the knowledge and talent of a classic winemaking family, but also the energy and excitement granted by modern production techniques.
